SIGHT AFRICA · STRATEGIC OPERATING SYSTEM

LEARN BTC

Bitcoin & digital-economy education — community, meetups, programmes

Execution starts 1 January 2027 · 2026 is a preparation year outside the agenda · All amounts in FBU

1. What we expect from this product

LEARN BTC is the talent and trust engine of the group. It is expected to manufacture the engineers, agents, merchants and journalists that every other product needs, while giving SIGHT AFRICA social legitimacy with institutions and regulators.

- Turn a 500-person community into a certified, employable talent pipeline.
- Supply at least 40% of group hires from its own alumni by 2032.
- Sell corporate and institutional training to banks, MNOs and public bodies.
- 300k+ alumni and 700 M FBU revenue by 2036, becoming SIGHT ACADEMY.

2. Economic model

Revenue line	Mechanism	Target margin
Paid cohorts	Per-learner tuition, instalments via BitLibera	55%
Corporate training	B2B contracts, per-seat pricing	70%
Certification	Exam + credential fee	85%
Sponsorship & grants	Partners, DFIs, foundations	n/a
Placement fees	Fee on alumni hired by third parties	90%

3. Investment required

Phase	Window	Capital needed	Main use
Preparation	2026	12 M FBU	Curriculum design, trainer certification
Launch	2027	60 M FBU	LMS, cohort tooling, 2 physical classrooms
Scale	2028–2030	350 M FBU	Content in Kirundi/French, regional hubs
Institution	2031–2036	1,5 Md FBU	Campus, accreditation, research unit

4. Feasibility assessment

Dimension	Assessment	Condition to satisfy

Technical	Very high — standard LMS	Low-bandwidth and offline-first delivery
Regulatory	High	Training-provider accreditation for diplomas
Operational	High	Trainer supply and cohort discipline
Financial	Medium	Tuition affordability — subsidised via sponsors
Talent	Medium	Instructional designer + 6 certified trainers

5. Technology & operating stack

- LMS with cohort scheduling, attendance and certification.
- Offline-capable content packs, WhatsApp-based learner support.
- AI-personalised learning paths from 2031, shared with SIGHT LABS.
- Alumni CRM feeding group recruitment.

6. Key performance indicators

Metric	2027	2031	2036
Learners / year	3 000	60 000	300 000
Completion rate	> 60%	> 70%	> 75%
Revenue	4 M FBU	120 M FBU	700 M FBU

7. Risks & mitigations

Risk	Impact	Mitigation
Volunteer dependency	High	Convert core volunteers into paid staff by 2027
Content scaling	Medium	Modular curriculum, trainer-of-trainers
Accreditation delays	Medium	Partner with an existing accredited institution
Mission drift toward pure commerce	Medium	Charter: 30% of seats subsidised
